

# The West Family

- Todd and Amy West are the parents of Andrew, Ellie, Matalin, and Hannah West. For the past 15 years they have served in the small town of Carnesville, Ga., where God has blessed their ministry. Todd and Amy were saved in 1996, and have been serving the Lord ever since. The call to plant a church was foreign to them, but through prayer and fasting the call became clear over the past two years. The whole family is now ready to serve the people of Vermont. Making disciples and planting churches and going forth for the cause of Jesus Christ.

# OUR CALL

**CrossPoint Church**, like many other churches, is a miracle. Todd and Amy West, have been in ministry for almost twenty years. Raised, trained, and accustomed to the south, Todd and Amy never thought this would happen, but God did!

Todd has been the lead Pastor at Liberty Baptist for over fifteen years. The church through the Holy Spirit, has seen incredible changes, spiritual growth, and has made an incredible impact in the small town.

Through the power of the Holy Spirit, after battles in the flesh, struggles of over how, when, where, and why; Todd and Amy realized Church Planting was what Christ was calling them to do. God confirmed this through multiple scriptures and fasting. Hence the name **CrossPoint**, for they came to a point where they had to choose...the cross or comfort; and so they chose the cross; and now their new chapter begins.

## WHAT WE'RE ABOUT

At **Crosspoint Church**, we are deeply committed to the eternal values of the Christian faith. We believe that the Christian faith isn't about religion, but about a relationship with Jesus. And through this relationship we have a vision of being a biblically functioning community of believers so that Christ's purposes can be accomplished through this world. And the way that we do that is by always giving you a next step to explore spiritual things and discover what it means to be a fully devoted follower of Jesus.
