[Open the Gates](#)
[Vertical Worship](#)

Our praise awaits you with the dawn
Our souls awake to you and lift a song
We've seen the things that you have done
And still we know the best is yet to come
There's more to come
Open the gates and let Your glory come down
Open our hearts and let our worship pour out
Your presence here is all we need
You break our chains with sounds of victory
You're changing everything
Open the gates and let Your glory come down
Open our hearts and let our worship pour out
Open the gates and let Your glory come down
Open our hearts and let our worship pour out
Come flood this space
No one else could take your place
Come have your way
No one else could take your place
Come flood this space
No one else could take your place
Come have your way
No one else could take your place
Open the gates and let Your glory come down
Open our hearts and let our worship pour out
Open the gates and let Your glory come down
Open our hearts and let our worship pour out

Revelation Song

[Kari Jobe](#), [Gateway Worship](#)

Worthy is the Lamb who was slain
Holy, holy is Thee
Sing a new song to Him who sits on
Heaven's mercy seat
Worthy is the Lamb who was slain
Holy, holy is He
Sing a new song to Him who sits on
Heaven's mercy seat
Holy, holy, holy is the Lord God Almighty
Who was and is and is to come
With all creation I sing praise to the King of kings
You are my everything and I will adore You
Clothed in rainbows of living color
Flashes of lightning rolls of thunder
Blessing and honor strength and glory and power be
To You the only one who's King
Holy, holy, holy is the Lord God Almighty
Who was and is and is to come
With all creation I sing praise to the King of kings
You are my everything and I will adore You
Filled with wonder awestruck wonder
At the mention of Your name
Jesus Your name is power, breath and living water
Such a marvelous mystery
Oh, You're worthy, mystery
You are worthy
Holy, holy, holy is the Lord God Almighty
Who was and is and is to come
With all creation I sing praise to the King of kings
You are my everything and I will adore You, I will adore You
